

**BUSY FAMILY LAW SOLICITORS NEED
QUICK, HELPFUL AND EASY TO ACCESS
EXPERT SCIENTIFIC SUPPORT**

If we have summed up your wish list for getting drugs and alcohol in hair testing evidence ready for your case, then we'd like to help.

To access free advice or obtain a quotation for LSC approval, all you have to do is take two steps, and we'll do the rest.

- **No complicated forms to fill out**
- **No need to write letters of instruction**
- **No delays**
- **No frustrations in accessing free advice and a quick response**

STEP 1 Just telephone **01684 585 282** and either ask us to call back or discuss the case directly with one of our Scientists.

We will: issue you with a summary of the testing required to inform the case, including a fixed price quotation. This starts the paper chain and provides you with a document to use for seeking LSC approval.

STEP 2 Once approved, just sign the authorisation slip and return it to confirm your instruction to proceed – we'll do the rest.

2 SIMPLE STEPS - Just telephone **01684 585 282** and we will return a summary of testing required with a fee quotation, ready for you to authorise as and when you are ready to instruct. We then implement the sample collection, testing and reporting stages and issue a fully interpreted drugs and alcohol testing report for your case without delay. We already work with busy solicitors and have aligned our service to fit in and support you with quick and expert scientific support and free helpful advice.

Just telephone 01684 585 282 and we'll do the rest
